Personal

Born on May 12, 1979.

Brazilian Citizenship, Permanent US Resident (Green Card).

Married to Gregorio Caetano, one child (Olivia).

Employment

Assistant Professor: University of Rochester, Department of Economics, Fall 2010-Present.

Education

Ph.D Economics, UC Berkeley, May 2010.

M.A. Statistics, UC Berkeley, April 2010.

M.A. Economics, Fudacao Getulio Vargas (FGV-RJ), July 2003.

B.A. International Relations, Universidade de Brasilia, December 1999.

Fields of Interest

Econometrics, Applied Econometrics, Health Economics.

Publications

“A Test of Exogeneity Without Instrumental Variables in Models With Bunching”

Testing Identification in Nonparametric Models with Endogeneity, with Christoph Rothe and Nese Yildiz.

Estimating the Average Treatment Effect of Returns to Schooling without Instrumental Variables, with Gregorio Caetano.

Identification of Heterogeneous Effects with a Discrete Instrumental Variable, with Juan Carlos Escanciano.

Working Papers

A Discontinuity Test of Endogeneity. Accepted in *Econometrica* subject to revision.

Testing Identification in Nonparametric Models with Endogeneity, with Christoph Rothe and Nese Yildiz.

Estimating the Average Treatment Effect of Returns to Schooling without Instrumental Variables, with Gregorio Caetano.

Identification of Heterogeneous Effects with a Discrete Instrumental Variable, with Juan Carlos Escanciano.

Seminar Presentations

2010: UC Berkeley, University of Rochester, Western Economic Association International Conference (Portland), Colgate University/Hamilton College, Econometric Society World Congress (Shanghai), NY Cam Econometrics, Princeton University, University of Toronto.

2011: Rensselaer Polytechnic Institute, Columbia University.

2012: ASSA, Penn State, Duke University, Brown University, WEAI.

2013: Cornell University, Indiana University, Boston College.

2014: Harvard/MIT, Boston University, University of Colorado/Boulder, Northwestern University.

Teaching

Undergraduate Econometrics, Fall 2010, 2011, 2012, and Spring 2013, 2015.

Nonparametric Econometrics (Graduate), Fall 2010, 2011, 2014, and Spring 2013.

Honors, Awards & Fellowships

2014 PEPR Grant (for Fall 2012), University of Rochester.

2013 PEPR Grant (for Fall 2012), University of Rochester.

2012 PEPR Grant (for Fall 2012), University of Rochester.

2011 PEPR Grant (for Spring 2012), University of Rochester.

2010 PEPR Grant (for Spring 2011), University of Rochester.

2008 Summer Research Fellowship, UC Berkeley.

2007-2008 Dean's Normative Time Fellowship, UC Berkeley.

2002-2003 CAPES Graduate Fellowship, FGV-RJ.

2001 FAPERJ Graduate Fellowship, FGV-RJ.

2000 BBA Bank Award (Fellowship), FGV-RJ.

Miscellaneous

Computer Skills: \LaTeX , Matlab, Stata.

Language Skills: English (Fluent), Portuguese (Native), Spanish (Native).
